FINANCIAL COMPARISON

Save £50,000 Without Compromising Your Degree

See exactly how the 2+1 pathway transforms affordability whilst maintaining the prestige and quality of a full British degree.

Traditional Route: 3 Years in UK

Tuition Fees	54000
Living Costs	36000
Total Investment	90000

2+1 Pathway Route

Years 1-2 India	10000
Final Year UK	30000
Total Investment	40000

 **Your Savings: £50,000** – That's more than half the total cost, with exactly the same British degree outcome.

Why Parents Prefer This Model

Beyond the substantial financial savings, the 2+1 pathway offers peace of mind and practical advantages that resonate with families across Pakistan.

Lower Financial Risk

Test the pathway with smaller initial investment before committing to full UK costs

Family Proximity

Your child remains home for the first two years, maintaining family bonds during crucial developmental years

Greater Maturity

Students relocate at age 21 instead of 19, with enhanced independence and life skills

Streamlined Visa Process

Structured support for UK visa application with proven track record of success

Guaranteed Progression

Life After Graduation

Your Investment Pays Dividends for a Lifetime

Graduating with a full UK bachelor's degree opens extraordinary doors. Your child will hold a qualification recognised and respected worldwide, providing access to the Graduate Route visa that allows up to two years of post-study work in the UK.

This isn't just about a degree – it's about global career mobility, international networking opportunities and the confidence that comes from world-class education. Whether pursuing careers in London, returning to India with enhanced credentials, or exploring opportunities across the globe, our graduates are equipped to succeed anywhere.

Why the FES Partnership Matters

22 Years of Excellence

- Personal advisors who understand family priorities
- Ongoing support before, during and after your child's studies

You're not just selecting an education provider – you're joining a community of families who have successfully navigated this journey with Gina Abroad by their side.

YOUR JOURNEY

Your Child's 3-Year Roadmap

- 1 Year 1 (India)**
— Level 4 studies begin at home. Building foundations in your chosen field whilst developing academic skills and English proficiency. Family support remains close.
- 2 Year 2 (India)**
— Level 5 advancement with increasing independence. Preparation for UK transition begins. Visa guidance and university selection support provided.
- 3 Year 3 (United Kingdom)**
— Level 6 at a prestigious UK university. Experience British academic culture. Complete your degree with full honours. Graduate with internationally recognised credentials.

From the familiar environment of India` to the prestigious halls of a British university – this roadmap provides security, savings and success in equal measure.

Frequently Asked Questions

Will the degree be identical to studying three years in the UK?

Yes, absolutely. You receive exactly the same British bachelor's degree, with identical recognition and accreditation. The only difference is where you study the first two years – the qualification itself is completely unchanged.

What if my child doesn't meet progression requirements?

We provide comprehensive academic support to ensure success. However, if additional support is needed, we offer resit opportunities and supplementary tutoring. Our track record demonstrates that students who engage with our support systems progress successfully.

Which UK universities accept these credits?

We have formal progression agreements with multiple respected UK universities. Specific options depend on your chosen field and academic performance, but include institutions like Oxford Brookes and other established universities across England.

How does this affect post-study work visa eligibility?

Graduates are fully eligible for the UK's Graduate Route visa, allowing up to two years of post-study work. This is identical to students who complete all three years in the UK.
