

HOSPITALITY AND TOURISM MANAGEMENT

**University 1st & 2nd Year
(Level 4 & 5)**

Powered By Mortha Halls of Ivy

COURSE OVERVIEW

About This Course

Prepare for an exhilarating career in the hospitality industry with our comprehensive online Hotel Management course. Our hospitality management programme offers a Level 4/5 240-credit curriculum meticulously designed to equip students with the essential skills required to excel as professionals in the hospitality sector.

Throughout the course, students will benefit from extensive support, including access to experienced tutors, interactive webinars, a vibrant social learning forum, and a wealth of additional resources to aid their studies. Each module comprises 40 guided hours of material, complemented by an additional 30-50 hours of optional resources. These include recommended exercises, readings, online resources, and self-assessment tools to enhance learning.

For more information about the support available to students, please visit our student resource page or contact your tutor directly. Upon successfully completing the online assessments and written assignments, students will be awarded a Qualifi diploma. This qualification also provides the opportunity to top up to a bachelor's degree, further expanding career prospects and academic achievements.

Embark on this transformative journey and set the foundation for a successful career in the dynamic hospitality industry.

HIGHLIGHTS OF STUDYING THE FINAL YEAR IN THE UK

1. Exposure to World-Class Education:

By completing their final year in the UK, students gain access to high-quality education from prestigious institutions, enhancing their academic credentials and broadening their learning experiences.

2. Enhanced Career Prospects:

- Graduating from a UK institution significantly boosts employability. UK qualifications are highly regarded worldwide, and students benefit from the robust career support services offered by UK universities, including internships, job fairs, and networking opportunities.

3. Post-Study Work Visa:

- International students can apply for the post-study work visa, allowing them to stay in the UK for two years after graduation to look for work. This visa provides a pathway to gain valuable work experience and potentially settle in the UK permanently.

4. Entrepreneurial Opportunities:

- The UK fosters a thriving entrepreneurial ecosystem, providing resources and support for graduates who wish to start their own businesses. Students can take advantage of various startup incubators, funding opportunities, and mentorship programs.

5. Further Studies:

- The UK offers excellent opportunities for further education, including postgraduate and doctoral programs. Students can advance their academic pursuits in a supportive and resource-rich environment.

6. High Living Standards:

- The UK is known for its clean and safe environment, prioritising health and safety for all residents. The country boasts excellent healthcare facilities, accessible housing options, and a low level of pollution.

7. Work Culture and Opportunities:

- The UK has a diverse and inclusive work culture, promoting a healthy work-life balance. Graduates can find employment across various sectors, benefiting from the country's strong economy and numerous job opportunities.

8. Family Benefits:

- Students can bring their dependents to the UK under certain conditions. Dependents have access to free education for children and healthcare services for residents, ensuring a supportive environment for the entire family.

9. Cultural Diversity:

- The UK is a melting pot of cultures, offering students a rich and diverse social experience.

10. Travel Opportunities:

- Located in Europe, the UK provides easy access to travel across the continent, allowing students to explore various countries and cultures.

11. Historical and Cultural Richness:

- Students can immerse themselves in the UK's rich history and culture, visiting museums, historical sites, and engaging in various cultural activities.

Accelerate Your Education: Complete Levels 4 and 5 in 18 Months

We are thrilled to offer an accelerated programme allowing students to complete both Level 4 and Level 5 qualifications in just 18 months instead of 2 years. This fast-track option ensures:

- Uncompromised Quality: No reduction in syllabus, learning outcomes, or credits.
- Full Credits Awarded: Earn the same credits as the traditional two-year programme.
- Intensive Learning: Benefit from a rigorous and supportive learning environment.

Commit now to both years at registration and fast-track your education without sacrificing quality. Contact us today for more details and to enrol.
